

Wayco Multi-Lift

Forklift Certification

Course Outline

Our certification is valid for 3 years anywhere in Ontario.

Course is from 9:00am to approximately 2:00pm

Our program covers applicable Provincial and/or Federal legislation and guidelines

First half is theory based, followed by a written test

Second half is practical evaluation on the actual equipment.

You must pass both theory and practical to receive a certification

Payment is due the day of the course

Bring along safety boots and photo ID

Experienced Operators

- You must have 8 hours experience prior to receiving your forklift certification.
- A registration sign-off sheet must be completed by your supervisor or yourself to validate the 8 hours experience.
- If you do not have the 8 hours experience, we offer practical classes to obtain your 8 hours

8 hours of Practical Driving School

- Practical driving classes will provide you with forklift familiarization, knowledge and safe operation techniques, developing the skills and expertise that employers are seeking in their employees.
- Hours will be completed in 4 days, 2 hours per day unless special arrangements are made

NOTE:

If you have a workplace you can get your 8 hours experience there prior or after the theory part.

You must provide a letter from the employer stating you have received 8 hours experience.

You must complete your 8 hours experience within 90 days of the theory course.

Once completed a final evaluation test can be arranged.
